REQUEST FOR CORRECTED FILING RECEIPT

Sir:

This is a second request for a corrected filing receipt. The original request was mailed on February 15, 2005. A copy of the original request and the post card showing receipt thereof is enclosed for your reference.

The filing receipt mailed February 9, 2005 contains an error. One of the joint inventors was omitted from the filing receipt. The inventor who should be added is H. Marie Langford, of Lansdale, PA. This inventor is included in the Declaration under 35 U.S.C. 371 and is also listed on the return post card acknowledging receipt of the application by the Patent Office.

A corrected filing receipt is requested. A copy of the filing receipt with the requested changes noted thereon is enclosed, along with a copy of the Declaration as submitted and the return post card. Since this request is not the result of an error by the applicant, no fee is believed due.

Respectfully submitted,

Date: December 12, 2005
